Ravioli Cooking Directions

For food safety and quality, follow these cooking instructions:

Boil

Bring water to a boil. Add frozen pasta and heat for 5-7 minutes (DO NOT wait for water to re-boil); drain.

Steamed

Place a bag of frozen pasta in a slotted or solid pan, steam for 10-12 minutes. When steaming a full unit allow an additional 10-12 minutes per pan.

Baked:

Conventional Oven: Pre-heat oven to 400°F. Spray cooking sheet and both sides of pasta with non-stick cook spray. Bake 18-20 minutes until golden brown and puffed.

For best results turn pasta half way through bake time.

*** Cooking times may vary according to equipment used.**
